Welcome back! How are you? Members will be given the opportunity to share a rose or a thorn in their lives as a result of the pandemic. Sharing one or both aspects, or just listening will be left up to each member.

REGISTRATION IS REQUIRED

Please reply by email if you wish to attend this meeting. You will receive an acknowledgment that will include an entry code to the meeting. We will open the portal at 10:00 a.m. so that most glitches are taken care of before we start. This meeting has been planned by your Executive Board and we are also just one half step above novice. Please be patient with us.

Attending is easy. You will receive basic instructions after we receive your registration.

If you do not have computer technology available, you can join us by phone. Please call Sally at 440-321-3131 to register and receive instructions.

You can join from anywhere, including your car, or Florida!

We want to get together. We hope you do, too.
